

SPENCER BARNETT

MARKETING AND ENGINEERING

HELLO !

My name is **Spencer Barnett** and I am currently a high school computer science teacher and coach. I am a business savvy person with owning two companies and a beautiful family. I believe in the American dream and love using my skills to help others. My passions are the outdoors and e-sports.

EDUCATION

SOUTHEASTERN OSU: MASTERS IN ATHLETIC ADMINISTRATION 2014

I worked 2 years coaching college baseball for Southeastern recruiting talent from all over the US and also working with the athletic departments marketing staff. Experience in balancing budgets, signing contracts with business and handling online and print media.

SOUTHEASTERN OSU: EDUCATIONAL TECHNOLOGY 2012

After 3 years of computer science the NCAA forced me to change my major to Educational Technology so I could be eligible for my last year of baseball. I have a minor in marketing with over 60 hours of computer science, engineering and business management.

JOB EXPERIENCE

MARKETING DIRECTOR: NETWORK MEDIA, 2007-2011

Small company marketing for churches and small businesses. I created social media pages, billboards, business cards and handled online marketing budgets for smaller companies.

EDUCATOR: DENISON ISD, 2014-CURRENT

I teach computer programming, website development, and computer maintenance. My duties include coaching a robotics team and competing in state competitions. In the fall of 2015 we finished 10th out of 640 Texas teams. My programming team also took 2nd place in our app competition in 2016.

BONUS

CHURCH SERVICE: COMMUNICATION DESIGN

From 2008 until present I have volunteered countless hours each month to helping churches with their technology and online development. I believe serving is one of the greatest blessings of life.

BUSINESS OWNER: 55films and Durant Lawn Care

Coming from a poor family I believe that hard work is a way of life. With elbow grease and determination, I have been able to create 2 companies that allow me to make extra income while not losing family time and being able to help others in the process.
